

Beaufort Park

FULHAM ROAD, LONDON

Sector :
Housebuild

Product :
Van Gogh, Light Oak
(VGW30T) and Rimu
(VGW49T)

This project is a renowned urban living complex. With contemporary style paramount for the first 1,000 purpose built apartments of this new development, the choice of floor was a point of much deliberation.

Designflooring's award winning Light Oak and Rimu were selected to be installed into the general living areas of every apartment, plus the bedrooms and bathrooms of larger apartments as an upgrade feature.

Swift to install and easy to maintain, Designflooring is both a popular choice for developers and homeowners. The perfect option for simulating the aesthetic appeal natural wood and stone flooring. Stylish and contemporary, Designflooring has none of the draw backs of the real thing and provides a beautiful setting for modern living.
