DESIGN FLOORING SOLUTIONS FOR COMMERCIAL INTERIORS

Focus on Opus, Karndean's new commercial range, new case study and Las Vegas Coffee Promotion!

Manufactured to suit commercial environments with specifications to support - Karndean flooring is designed to perform.

In this issue of Karndean News we feature Opus the new commercially focused range of design floor.

Find out about our EC1 Las Vegas inspired coffee promotion and read about Gorgeous-hair salon's, new flooring

Karndean's latest portfolio addition is a new, commercially focused range of design floor coverings called Opus; specifically developed to meet the needs of the commercial market.

PRODUCT FOCUS

OPUS

[See new Opus Flooring Range](#)

Gary Bullock, owner of Gorgeous-hair Salon, found the perfect floor covering that is both practical and aesthetically pleasing in Opus, Karndean's commercial range of flooring.

CASE STUDY

Gorgeous-hair Salon,
Cheltenham
