

WE'D LIKE TO INVITE YOU TO THE MATERIAL LAB ROADSHOW

We're going to be showing off the latest from Cosentino, Johnson Tiles, Karndean Designflooring, Milliken and Tektura. During the **day** we'll have workshops and CPDs, or just drop in for a chat. In the **evening** relax and enjoy good food and drinks while being entertained, informed and inspired by our special guest speakers with pecha-kucha style talks. See you there!
